- 1 On Saturday my sister, Jen, and I went to the Globe Theatre to see a new play. We wanted to see our friend Alex. He is an actor and he had a part as a man in the play. He was very excited. The scenery and the costumes were great. But suddenly it happened: The cannon ball started a fire! All the actors were scared and ran away!
- 5 “Run! Alice, run!” my sister shouted and took my hand.
All the people shouted and ran away too. It was awful. Some people used water to fight the fire. It didn’t help very much. We ran outside the theatre as fast as we could.
Twenty minutes later everyone was outside the theatre. It was sad to watch the fire. But then we saw Alex. He helped other people find their friends. It was good to see that everyone was OK.

Put in the right words.

village country north people air

Hi!
I'm Tom and I live near Stapleton. It's a small village
in the north of England. Only 1,200 people
live there. I go to school in Stapleton.
The country is boring, but the air
is better than in the city.
