**Ziel 2: Ich kann mich über soziale Medien äußern.**

Put in the right words.

look on the internet

keep in touch

the most important

send a message

social media

post photos and videos

My phone is the most important  
thing for me. If there's something I don't know, I just  
look on the internet. I want to see my  
best friend? That's not a problem with social media.  
I have questions about homework? I just send a message  
and ask somebody. It's easy to keep in touch  
with people from everywhere. And I can  
post photos and videos online too.

- 1 Ellie and her parents have got a farm.  
Ellie is happy at home with all the animals. She loves playing with her dog Charly. She throws balls for him and they  
5 go for walks together.  
Ellie doesn't like school. The other girls don't like her because she doesn't want to be a cheerleader.  
One afternoon the girls do their tricks.  
10 "Hey Ellie! What are you waiting for? Every girl loves cheerleading!" Ellie gets really angry and throws a ball at the wall.  
"That was awesome! Where did you learn that?" asks John, a boy from her class.  
15 "Well, I usually throw a ball for my dog," Ellie says.

"Why don't you play baseball with us? You aren't a cheerleader, but you could be a baseball player! There are girls and boys on  
20 our team. The next training is tomorrow."
