Let 's get the stories so far behind them we start at Pittodrie . Aberdeen **went minutes without conceding** a league goal and now they have let in three in just ten minutes . It all that ... .. you need to think bigger . Well Connie . There are snakes that **go months without eating** . Then they finally catch something . But they 're so hungry they . I ca n't . I ca n't ! I ca n't do all that heartbreak again . How come you lot **went years without talking** ? I should be at work . Why ca n't you just admit that you love me ? I beg your It 's done . Do you know how much women like Grace sacrifice for you ? She **goes hours without feeding** her baby . No baby died because ... The mother not the baby . Where do you Aberdeen . They have shown great spirit . It 's a weird game . Aberdeen **went minutes without conceding** a goal and they conceded three in ten minutes . It 's a good performance by ! Munster have a tremendous run without conceding a try . If they **go minutes without conceding** tonight they will break their own record for the league . Cardiff Blues line . They should have been just more than the potential three **went minutes without adding** to it . The drought has ended . Dan Biggar's second goal and penalty . about things ? We spend so much time working by yourself you can **go days without seeing** anyone . Loneliness yeah . Loneliness . You 're in big machines you see . though the game was playing a tournament game . In the height you could **go months without playing** a tournament game . In the playing . Ding looks all at sea playing a life . A series of health scares have knocked his confidence and he can **go days without leaving** his home . In the last months of my life last months I have had a new knee life ? I spent a lot of time sleeping but you would n't believe . But I would **go days without seeing** daylight . So I think one thing to change would be to look at my situation are on a regular trip . They both live on their own in Darlington and can **go days without seeing** anyone . But today is a good day because they are making a trip to see see if the giant otters are having more of a liein than us . Fernando often **goes days without seeing** an otter and he 's developed some unconventional techniques to find patient . They are happy to carry the ball . Interesting Lee Armagh have **gone minutes without scoring** . In the substitution . His lungs must be exhausted after the runs he has . Many teams will go to Stamford Bridge this season and they will not **go minutes without conceding** . The other thing from Blackpool's point of view they got the six at the boy took his chance . The the runt that you had at the lakeside it you **went years without winning** the trophy . So you know how to dig in it and prove people wrong . It has been . Even in the middle of the th century the Conservative Party did not **go years without winning** an election . Is UKIP a racist party ? I would n't call it a racist party . I have a drink ? It 's not as if I 'm drinking all the time . Why I 've known you **go hours without touching** a drop . Shut up I am not drunk . Your Holiness ? Well ... We 're fine .
